To
Andrew Colvin Commissioner
Australian Federal Police
Head Office
GPO Box 401
Canberra ACT 2601

Attention: - Regarding A Terrorist Attack that happened 22 years ago in Tasmania Australia.

Subject: - Port Arthur Massacre 1996.

Dear Mr. Commissioner

I sent you a couple of weeks ago 3 letters to look over and consider, I also ask you to talk about the contents with your wife and close friends if need be and ask for their opinion and advice on the matters.

Please find enclose again a copy of the 3 letters sent also I have added in letters sent away to Tasmania, which seems we are at a stale mate situation.

The current Premier and his Ministers also Police Commissioner are trying to cover things up, because legally they know full well if Damien Bugg QC is charged and prosecuted with 52 Counts of Committing Perjury also 52 Counts of Perverting the Law and Course of Justice, this throws the whole sentence hearing & what Martin Bryant received out the door and they have to allow him a new trial this time with a Jury.

So I suppose I will get straight to the point, what are you going to do?

Are you going to corruptly cover everything up and let all these people in my letters to you off the hook?

Or Are you going to be man enough and stand up to them and all the other main players with these people mentioned in my letters and charge and prosecute them for Terrorism Related Offences.

Awaiting your reply

Lloyd T Vance
